MUSIC AT MT. ZION

Martin Luther proclaimed, “Next to the Word of God, music deserves the highest praise. The gift of language combined with the gift of song was given to man that he should proclaim the Word of God through Music.”

Music at Mt. Zion is a significant part of our life together. The Sr. Choir, Jr. Choir, Tone Chime Choir, hymns, liturgy, and specialized musicians all provide musical proclamation of God’s Word during our worship gatherings. Additionally, the music led by choirs and hymns sung by the assembly provides an opportunity for everyone to be involved in the leadership of our worship services.

Relationships are an important part of Mt Zion’s music ministries. Many hours spent together in rehearsals creates meaningful relationships among choir members. As members of the Body of Christ this is important as we are called to support and encourage one another in all things.
