

MT. ZION LUTHERAN CHURCH

NOVEMBER 2016

Dear Brothers and Sisters in Christ,

When I studied at the Tumaini University Seminary in Iringa, Tanzania, the other American students and I joked that there was “American Time” and “African Time”. In our country everything runs on timed schedules. We have a set time we start school or work. We make appointments to see doctors and dentists and if either side is late, someone is crabby! Our football games start at an appointed time, our trains and planes and buses run at appointed times and certainly church starts at a certain time!

The culture in Africa is different. Relationships are valued over schedules. In Africa, if you are on your way to meet with someone and meet another friend in need, well, of course you will stop and talk! In my classes students would trickle in slowly and start to talk about the subject at hand. There was no real start to class, just a slow, organic beginning. The rhythm of life in Tanzania was slower, unhurried, and unconcerned with the productivity that rules America. Instead, I found that the folks I met were concerned with each other’s hearts and minds and families.

I found some of the biggest differences in church services. If church is supposed to start at 10am—it might start at 9:15 or it might start at 12:30. Church starts whenever everyone gets there! And church services don’t last an hour! They last until they are done! In Tanzania I attended a 30-minute service, 2 hour services, a 4-hour service and on one memorable occasion, an 11-hour service. That service was an ordination that started at noon. At 7pm the Bishop sent everyone home and told us to come back the next morning for the service to finish up!

Every Capital Campaign for our congregation’s new addition has been about timing.

Our first campaign was “It’s Time”, our next was “Time to Prosper” and our new campaign, kicking off this fall is “The Time is Now! Investing in faith... family...future”. Ecclesiastes 3:1 reminds us that “there is a time for everything, a season for every activity under heaven.” When our congregation decided to build the new addition it was because it was finally time, after long last, to have a functional building that could welcome all.

When our congregation began our last campaign it was time to rejoice the many ways the new building and the work of the congregation allowed the church to prosper. And today, it’s time to look to the future.

We choose the theme “The Time is Now! Investing in faith... family...future” to remind our congregation when we invest in Mt. Zion we are investing in the future of faith, the future of our children and the future of the amazing work Mt. Zion does in the community and the world on God’s behalf. We are reminding ourselves of how important the gospel message is and how if we want our church to remain strong, we need to work together.

We hope that you are as excited as we are for this November drive and agree that the time is now to support the future of lives of faith at Mt. Zion.

Blessings, Pastor Erin

Thank You for Your Support!

This month we are kicking-off Mt. Zion’s ***The Time is Now - Investing in Our Faith...Family...Future*** Capital Campaign and the Annual Stewardship Drive. As pledges and contributions are collected, Mt. Zion’s leadership would like to take this time to thank all of the volunteers who participated in this important effort. We would also like to thank members who have made a gift and those who plan on giving. This campaign’s purpose is to reduce the mortgage, as well as fund other initiatives, but more importantly to ensure that Mt. Zion has a strong future in welcoming all people to join us as we rejoice in God’s blessings.

Updates will continue throughout the next couple of months. Thank you for your interest!

OUTREACH

**ON SUNDAY, NOVEMBER 20TH DURING
WORSHIP, WE WILL BE CELEBRATING SOME OF
THE WONDERFUL OUTREACH MINISTRIES
MT. ZION IS A PART OF!**

SECOND MILE HAITI

Second Mile Haiti began almost four years ago. Jen and Amy, young women with big hearts, went to Haiti at the time of the earthquake and worked in an orphanage. They returned to the US and felt called to return to Haiti to make a difference. With many Haitian children being placed in orphanages, Second Mile Haiti is committed to educating parents to be able to care for their children and keep families together. At Jen and Amy's request small quilts and cloth bags have been mailed to them since they opened. Additional items have been added over time. A small group of women have made over 300 quilts, 450 bags, 300 receiving blankets, 175 hats, 180 sweaters, and 400 toy bears. Harley has made over 100 wooden cars that are loved by the children. Jen and Amy have listened to the people and culture of Haiti and found a way to create a successful project in a very challenged part of the world. We are fortunate to be a part of this ministry.

PRAYER SHAWLS

The Prayer Shawl Ministry grew out of compassion for others and the love of knitting and crocheting. They are combined with a prayerful ministry and spiritual practice which reaches out to those in need of comfort and solace, as well as celebration & joy! Blessings are "prayed" into every stitch.

The shawls begin with prayers and blessings for the recipient. They are delivered with a special message for healing and comfort.

Anyone interested in creating prayer shawls can contact Karen McConville or Pastor Erin.

QUILTS

Every month, women of Mt. Zion gather together and make quilts for missions.

This year they donated a quilt to Luther Point for their Silent Auction and raised \$200 for LPBC.

Quilts were also given to Relay For Life & Habitat for Humanity.

In total – 73 quilts were made this year!

FELLOWSHIP OPPORTUNITIES

Simple Definition of *fellowship*

- : a friendly relationship among people
- : the relationship of people who share interests or feelings

Every Sunday we have the wonderful opportunity of visiting with others over coffee, tea and a simple treat. This important time is made possible by volunteers who provide the treat. It is an easy, simple way to serve fellow members and guests.

Are you hesitant to volunteer? Here are a few points to know.

- Our great coffee machine is always ready with regular, decaf, and hot water. You don't have to make it!
- A treat should be simple, such as a mini muffin, cookie, maybe some cheese and crackers and/or fruit.
- How much to provide? Usually 6-7 dozen of something is enough.
- Napkins, cups, plates, silverware, cream, sugar, and tea are all available in the cabinets surrounding the coffee machine. You don't need to bring these!
- A basket is put on the serving table for donations. The proceeds can be used to help defray your costs or donated to a Mt. Zion project or group.
- You can sign up on the clipboard passed at church or on line at

<http://www.signupgenius.com/go/5080a48acaf23a13-summer>

If you have any questions, please feel free to call me. I'd be happy to help you serve.

RED CROSS

On October 7 Mt. Zion hosted the Red Cross with a Blood Drive.

I would like to thank Sandy Gillis, Linda Norelius, Laura Gerdt, Kylee Jungbauer, Tor Okerlund, Henry Okerlund & Art Okerlund for volunteering your time during the event!

Thank you to Erin Prawalsky and Laurie Johnson for providing cookies for the donors!

We were able to collect 10 pints of blood which will help up to 30 people. We did have 3 people that came and were unable to give at the time and there were some "no-shows" but over-all we had a successful drive.

1st Time donor recognition – Bill Peterson

Our next Blood Drive will be Friday, December 16.

CHRISTMAS BOX ITEMS

Post High-School
Youth

It's about time to get those "SHOEBOX ITEMS" ready to send to our special "MEMBERS" of the congregation in time for "Study Breaks" or "Pick me ups"

EVERYONE CAN GET INVOLVED!

HOW DOES IT WORK?

TO MAKE IT AS EASY AS POSSIBLE this year we will have boxes in the Commons (17 of them) that will say "BOY" or "GIRL" and ALL members for Mt. Zion are welcome to help fill them with anything you find fun, silly, entertaining or something that can be a keepsake. Each box is for one of our Post High School Students. There will be "idea" sheet in the Information Center to give you an idea of what we are looking for. You DO NOT have to buy the same thing for each box.

If you would like to purchase any of the items and return them to church before November 20, we will then separate the donated items between the 17 boxes and give to the person who is "in charge" of that particular youth.

We do need 17 people to be in charge of personalizing each box, meaning – you would be assigned a Girl or Boy (and would know which box was theirs) and placing a personal item or two in their box. To be one of these people – please see Anna Peterson (secretary@mtzionhudson.com) to let her know what youth you would like or if you would like a boy or girl.

Mt. Zion has 17 Post High School Youth
[11 Girls and 6 Boys].

ALL SAINTS DAY SUNDAY, NOVEMBER 6

All Saints Sunday celebrates the baptized people of God, living and dead, who are the body of Christ. As November heralds the dying of the landscape around us, the reading and liturgy call us to remember all who have died in Christ and whose baptism is complete. At the Lord's table, we gather with the faithful of every time and place, trusting that the promises of God will be fulfilled and that all tears will be wiped away in the new Jerusalem

If you have a name you would like included on this list – please send the information to secretary@mtzionhudson.com.
